Sue - I love to sign yearbooks, but I can never think of anything to say - I know I'll always have good memories of you and how weird our modern dance classes were
- Mary Jane

Sues,
Good luck at the college - in Kirksville. Hope you can get as good grades as you presently are getting. Write to me on occasion & let me know how you're making out in your future teaching career.
Janelle

Sue,
It's been a
this year. I
knowing you
luck in life than
I do with

Sue,

Your really a great person, And I am really glad to have you as a real good close friend. It's always so much fun to be with you. We have had so many fun times together. I hope that when we are old and grey, we can still remember the fun times we had.

I hope you have a real good time at College, and don't study to hard, unless you want to. What I mean is- have fun by doing what you want.

Although I think I know you fairly well. I wish we had more time in high school left so I could get to know you real real well.

I hope you have a very happy life and everything is always happiness.

Thank you for being such a wonderful friend. I hope we never loose touch.

Love,

Debbie

Many thanks to you, Sue -
Mrs. Bibuisco

SO ENDS
THE CLASS OF 1969 . . .

Sue,
Sis wrote in so many books lately, I really don't know what to say except it's been a great year. You're one girl that always wears a smile, no matter what the crisis. Stay as sweet & natural as you are. Best of luck in whatever you do & may God Bless.

BETTENDORF HOSTS ONE

Unlike recent years, Bettendorf High focused its attention this year on one international exchange student. B.H.S. students adopted Sue Hoskings of Canberra, Australia as their American sister. In one short year Sue contributed much to Bettendorf High. She was active in the music department and held a role in the musical production, *My Fair Lady*. She contributed to school spirit as a member of Pep Club and a loyal sports enthusiast. She participated in student government as a Student Council representative and a member of the Quint Cities Student Congress. Most important, she left in everyone's memory the unforgetable friendship of a most wonderful international exchange sister.

Sue with her American sister, Kay Diviney.

and now "30"

1968-1969—A school year of Change. All of us as Bettendorf High School students took some part in the beginning of a "new freedom" for our school. Open study halls, open lunch periods, a no-bell system, and a "student lounge" were just a part of the "new freedom". Most important, a new and different way of learning was introduced to us.

Like the school system, the *Beacon* did some remodeling. Although it was the *Beacon* staff who put the yearbook together, each one of you took some part in the planning of it. Without your participation in the school activities, there could be no *Beacon*.

As co-editors, we would like to thank each of the section editors:

Nancy Bottles, Underclassman section

Dianne Moeller, Senior pictures and Senior activities

Shellie Kaufman, Activities

Bill Post and Craig Kelinson, Sports

Vickie Schafer, Clubs and Organizations.

Each of these section editors and his staff put in a lot of hard and time-consuming work on the organization of the pages of your 1969 *Beacon*. However, much of the thanks goes to each one of you. The pages of the *Beacon* depict YOU; your school, your activities, a life that represents you now. This is your 1969 *Beacon* and we hope that you can be proud of it.
